I understand that I must receive approval from the Architectural Control Committee (ACC) in order to proceed with any work on my home and that all projects are subject to final inspection by the ACC. I also understand that no action or approval of the ACC alters the deed restrictions, nor does such approval, by implication, grant a variance. All ACC determinations are subject to review by the BIC Board of Directors. I acknowledge and agree, by my signature hereto, that no signs may be erected on my property during the period the work is underway, by any contractor, for any reason. Such signs are a direct violation of the deed restrictions, and may be removed at any time by representatives on behalf of the ACC, without notice.
